

February 9, 2006

Jonas McCluskey, Elm Plating

To Whom It May Concern,

The GM Finish Committee has reviewed and granted approval for the following finish. Applicator approvals are valid for five years from the listed approval date. The applicator may submit their most recent PPAP package at the end of each five year time frame to extend their MATSPC approved source listing for an additional five years.

Approval Date: February 9, 2006
GM Specification: GMW3044
Finish Code: N
Product Name: ZinKlad 96
Chemical Supplier: MacDermid Inc.
Applicator: Elm Plating
Process (Barrel v. Rack): Barrel
Remarks: Initial approval for applicator.

Note: The approval information above is inputted into the MATSPC database on the date of approval. Due to processing time, it may take up to one month for this approval to show up under the MATSPC listing for this specification.

Regards,

GM Finish Committee

Steven Kwong
